

REMARKS

The Final Office Action mailed January 3, 2005, has been received and reviewed. Claims 1-25 are currently pending in the application. Claims 1-25 stand rejected. No claims have been amended. Applicants respectfully request reconsideration of the application in light of the arguments presented herein.

Double Patenting Rejections Based on U.S. Patent Nos. 6,416,601 and 6,610,156

Claims 1-25 stand rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-21 of U.S. Patent No. 6,416,601 and over claims 1-4 and 11-15 of U.S. Patent No. 6,610,156.

Applicants note that two terminal disclaimers were submitted with Applicants' response filed on August 9, 2004, which is evidenced by the response itself and by the date-stamped postcard returned by the United States Patent and Trademark Office ("Office"). One of these terminal disclaimers included a disclaimer to U.S. Patent No. 6,416,601, while the second terminal disclaimer included a disclaimer to U.S. Patent No. 6,610,156. However, based on the rejection in the Final Office Action, it appears that the Examiner only received the terminal disclaimer for U.S. Patent No. 6,416,601.

Applicants resubmit herein the terminal disclaimer for U.S. Patent No. 6,610,156. A copy of the date-stamped postcard evidencing receipt of this document by the Office on August 9, 2004, is also enclosed.

Since the Final Office Action indicates that "[t]he terminal disclaimer filed on 8/9/04 has not been approved since it does not include a disclaimer to patent number 6,610,156," a copy of the terminal disclaimer for U.S. Patent No. 6,416,601 is also resubmitted herein for the convenience of the Examiner. Applicants note that separate terminal disclaimers have been filed for U.S. Patent Nos. 6,416,601 and 6,610,156.

BEST AVAILABLE COPY

Applicants also note that two checks for the necessary fees for filing the Terminal Disclaimers were included with the response filed on August 9, 2004, copies of which are enclosed. As such, Applicants believe that no additional fees are required. However, if the Office determines that any additional fees are required, the Commissioner is authorized to charge any such fees to TraskBritt Deposit Account No. 20-1469.

Applicants respectfully submit that since this mistake was a mistake by the Office, Applicants' response filed on August 9, 2004, should be considered responsive and complete. Applicants also respectfully submit that this Communication is intended to be fully responsive to the Final Office Action.

CONCLUSION

Claims 1-25 are believed to be in condition for allowance, and an early notice thereof is respectfully solicited. Should the Examiner determine that additional issues remain which might be resolved by a telephone conference, she is respectfully invited to contact Applicants' undersigned attorney.

Respectfully submitted,
